MISSION STATEMENT

Law Day is a presentation of the Canadian Bar Association and the Medicine Hat Legal Community. Lawyers, Judges, students, court clerks, and others volunteer their time to invite the public to the Law Courts Building in Medicine Hat to see how the Justice System works and the variety of people and organizations involved. Our aim is to show the general public the inner workings of the legal system so that the general public has a good understanding of the process and the people involved.

COURTHOUSE TOURS

Join us for a tour of the Historic Court of Queen's Bench Court House. The tour will include a visit to the oldest court room used in Alberta today. Learn more about the unique architecture of the old Courthouse, the extensive renovations and restorations, the fascinating trials held in Medicine Hat, and the "ghost" of the Courthouse. As well, follow a criminal case from the charge, to the Courtroom and then to the Holding Cells. We will also visit the Law Library.
