Dear Ms Maisonville

I am responding on behalf of Tom Friedman, NDP Candidate in Kamloops South Thompson.

The party does not currently have a plan to remove the tax, as I'm sure you have been informed. However, we feel your points are well taken and Mr. Friedman is prepared, if elected, to bring the matter forward within the NDP caucus. If unsuccessful in getting the tax removed, he will further commit to lobbying within the caucus to have the proceeds from the tax redirected to fund Legal Aid services.

Sincerely,

Ruth Fane
Campaign manager for Tom Friedman
