# Terms of the Viscount Bennett Fellowship

1. An award, not less than \$40,000 may be paid annually to one student as a fellowship for legally-oriented graduate study in an institution of higher learning to be approved by the Awards Committee (hereinafter referred to as the Committee).
2. The Viscount Bennett Fellowship is granted on the condition that the total funding accepted by the Viscount Bennett recipient from other fellowships, scholarships or grants during the application period does not exceed \$65,000, of which \$40,000 is Viscount Bennett. Fellows must inform the CBA of such funding prior to acceptance of the Viscount Bennett.
3. The Committee may award to a student who has received a Viscount Bennett Fellowship in a particular year and who is continuing his or her graduate studies for a second year, a Viscount Bennett Fellowship for such second year of graduate studies but only if the Committee is satisfied that exceptional circumstances justify such second award.
4. A second Fellowship may be awarded annually at the Committee's discretion. The amount of this second Fellowship will depend on the funds available.
5. The Fellowship shall be open to Canadian citizens who have graduated from an approved law school in Canada or who at the time of application are pursuing final year studies as undergraduate students at such approved law school.
6. Applications shall be addressed to the Senior Director of Communications of the Canadian Bar Association and shall be received on or before November 15th of the year previous to that in which the award is to be made.
7. Each applicant shall complete the Viscount Bennett Fellowship application form.
8. The Senior Director of Communications shall secure from the Dean of the Law School, which the applicant has attended, a staff appraisal of the applicant, and in the case of more than one applicant from one law school, a comparative appraisal of the applicants from that law school made by the staff and the Dean, together with the Dean's own recommendations.
9. At its discretion, the Committee shall hold interviews with the finalists for the Fellowship. The Committee will reimburse reasonable out-of-pocket travel and accommodation expenses for those invited to the interviews, but travel expenses shall be limited to the lowest advance booking fares available from points within Canada and the continental United States.
10. In the event of an award being made to a student who has not at the time graduated, the award shall be conditional on the applicant's subsequent graduation in the next ensuing spring at the law school in which the applicant is studying at the time the award is made.
11. The amount of the Fellowship shall be paid to the applicant selected in equal amounts on the first day of September in the year in which the applicant is selected, and on the first day of January next ensuing.
12. The applicant selected shall, within two weeks of being notified of the award, inform the Committee of his/her acceptance. If accepted, the applicant selected shall undertake to begin graduate study by fall of the year of selection. If the applicant, having accepted the award, later becomes unable for any reason to take it up that year, he or she shall promptly so inform the Committee. If the applicant first selected declines the award, or having accepted it, later becomes unable to take it up, the Committee may in its discretion cancel the award for that year or grant the fellowship to another applicant or, if good cause is shown, authorize the recipient to postpone taking up the Fellowship for not more than one year.
13. The Committee shall report to the National Executive of the Association the names of the successful applicant(s). If in any particular year the Committee, in the exercise of its absolute discretion in this regard, is of the opinion that no suitable applicant has applied for the Fellowship, the Committee shall recommend to the National Executive that the Fellowship not be awarded that year in which case the Fellowship shall not be awarded. The decision of the Committee in this regard shall be final and not subject to review. Provided a suitable candidate is recommended by the Committee, the award of the Fellowship shall be announced on or before June 30th.
