

**INVITATION
THE 1ST MARTIME IN-HOUSE
COUNSEL CONFERENCE
& CCCA (NB CHAPTER) ANNUAL
MEETING**

May 15, 2008

Dear member,

As President of the New Brunswick Chapter of the Canadian Corporate Counsel Association (CCCA), it is with great pleasure that I invite you to an exciting day of Continuing Legal Education on June 3, 2008 in Moncton.

The CLE will take place at the Faculty of Law, Pavilion A.J. Cormier, located at the University of Moncton and is open to all in-house counsel in the Maritimes. The CLE will begin at 9:30 am and should be completed by 2:00 p.m. Registration is \$25 and a complimentary lunch sponsored by the law firm McInnes Cooper will be served. The CLE entitled "Know When to Hold Em and Know When to Fold Em" will include three exciting topics:

1. Donna MacEwen from McInnes Cooper will present a session on IP basics, focusing on issues encountered by in-house counsel. She will provide tips and advice on when counsel should keep matters in-house and when they should seek outside assistance;
2. Olivier Fischer from Legal Suite will present a session on management of contractual risks, and use of information technology as a tool for improved contract governance. Faced with globalization and the increased pressure of the competitive market, who is managing your client's contracts? What do new technologies have to offer?
3. Maureen Millier from Talentworks will present a session on trends in employment for in-house counsel. Do you know what opportunities and challenges exist for in-house counsel in Atlantic Canada?
