

CCCA NB Section Report: January 2009

The New Brunswick Chapter of the Canadian Corporate Counsel Association (CCCA NB) has been active throughout the fall of 2008 and early winter of 2009. The Executive Committee held meetings on a monthly basis to discuss our strategic plan for the year as well as several upcoming events. The Committee is happy to report that the Chapter By-Laws were passed at the CBA NB Council Meeting held in Saint John in September 2008.

The focus of the CCCA NB Chapter in 2008-09 is to provide and/or assist in providing Continuing Legal Education opportunities for our membership. As in previous years, the CCCA NB Executive Committee has worked with the CBA Mid-Winter planning committee to organize a session directed to the interests of corporate counsel in the province and counsel who work with them. This year, Kimberly Wylde, our CCCA NB Chapter Secretary/Treasurer, will moderate a session on February 6th, 2009 entitled "Corporate Social Responsibility – Engagement & Accountability". Speakers will be Bronwyn Pavey, Jacques Whitford (Moncton), Danny Graham, Q.C., McInnes Cooper (Halifax) and Tania Carnegie, KPMG (Toronto).

The CCCA NB Executive Committee will continue to meet throughout the winter to plan possible further CLE events as well as the Chapter Annual Meeting held each year in June.
