MEMO:

ASSYST REAL ESTATE & TELUS
QUICK, SIMPLE AND SECURE ONLINE MORTGAGE PROCESSING

READY FOR A REST?

Increase your productivity, reduce your stress, and still have time for a holiday...
You can have it all.

Processing mortgage transactions using TELUS' Assyst Real Estate puts the power and speed of the Internet to work for you.

- Eliminate tedious, repetitive tasks that are potential sources of errors
- Eliminate manual inputting of data. Pre-populated forms automate processes and minimize risk of errors
- Increase your efficiency with fully integrated document management solutions
- User-friendly, web-based interface provides easy access to real-time information

PUT TECHNOLOGY TO WORK AND GO ON VACATION!

You could win the \$3000 travel voucher or 1 of 4 prizes of 100\$

Want to start making the technology do the work?

Enrol before February 10, 2012 and you will automatically be entered in the draw.
