Law Society supports measures to protect privilege between lawyers and incarcerated clients.

The BC Corrections Branch has implemented a process to enable lawyers to register their phone numbers with the Corrections Branch. Calls made by clients in correctional facilities to and from lawyers at their registered phone numbers will not be recorded or monitored. If you have not already registered your phone numbers, you can do so by contacting the Corrections Branch registration line Toll-Free at 1-888-952-7968.
