

Networking helps build a career in law.  
That's how I'm making the most of  
*my CBA.*

R. Banerjee,  
Lawyer

Joining the **Canadian Bar Association** makes you part of a national network of some 39,000 lawyers. Meet other lawyers in your community and your specialty. Share ideas. Get involved and raise your profile. Learn more about common issues and be part of the solution.

A great way to *network* – just one of the many ways the *CBA* delivers real value to members.
